The Amphastar Pharmaceuticals' logo and other trademarks or service marks of Amphastar Pharmaceuticals, Inc., including, but not limited to Primatene MIST<sup>®</sup>, Amphadase<sup>®</sup>, Cortrosyn<sup>®</sup>, REXTOVY<sup>®</sup> and BAQSIMI<sup>®</sup> are the property of Amphastar Pharmaceuticals, Inc.

## **Forward-Looking Statements**

All statements in this press release and in the conference call referenced above that are not historical are forward-looking statements, including, among other things, statements relating to our expectations regarding future financial performance and business trends, our future growth, sales and marketing of our products, market size and expansion, product portfolio, product development, the timing of FDA filings or approvals, including the DMFs of ANP, the timing of product launches, acquisitions and other matters related to our pipeline of product candidates, the timing and results of clinical trials, the benefits of the acquisition of BAQSIMI<sup>®</sup>, including its potential for continued revenue growth, the success of our integration of BAQSIMI<sup>®</sup>, the transition of our pipeline towards branded products, proprietary products, and biosimilars, our ability to leverage our existing expertise and technology, and other future events. These statements are not facts but rather are based on Amphastar's historical performance and our current expectations, estimates, and projections regarding our business, operations, and other similar or related factors. Words such as "may," "might," "will," "could," "would," "should," "anticipate," "predict," "potential," "continue," "expect," "intend," "plan," "project," "believe," "estimate," and other similar or related expressions are used to identify these forward-looking statements, although not all forward-looking statements contain these words. You should not place undue reliance on forward-looking statements because they involve known and unknown risks, uncertainties, and assumptions that are difficult or impossible to predict and, in some cases, beyond Amphastar's control. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described in Amphastar's filings with the Securities and Exchange Commission, including in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on

February 29, 2024, in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2024, filed with the SEC on May 10, 2024, in our Quarterly Report on Form 10-Q for the quarter ended June 30, 2024, filed with the SEC on August 9, 2024, and in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2024, filed with the SEC on November 7, 2024. In particular, there can be no guarantee that our pivoting towards high-value and high-growth areas market will be successful, that demand will be sufficient for us to meet our sales goal for Primatene MIST<sup>®</sup> or that we will continue to experience significant sales of BAQSIMI<sup>®</sup>. You can locate these reports through our website at <http://ir.amphastar.com> and on the SEC's website at [www.sec.gov](http://www.sec.gov). The forward-looking statements in this release speak only as of the date of the release. Amphastar undertakes no obligation to revise or update information or any forward-looking statements in this press release or the conference call referenced above to reflect events or circumstances in the future, even if new information becomes available or if subsequent events cause our expectations to change.
